Marshfield Center Pediatrics

Marshfield Clinic Health System

To contact for appointments, please call: 1-800-782-8581 ext 75251 or 715-387-5251

Pediatric Residents

Pediatric Residents are physicians who pursue advanced post medical school education in pediatrics. They train under the supervision of board certified pediatric physicians to acquire skills in diagnosis, prevention and management of medical and surgical diseases, such that, upon completion of these years of training, they will be certified to provide expert medical care to children independently.
