

Marshfield Clinic

Six Marshfield physicians pooled their expertise in 1916 to form Marshfield Clinic, founding what has grown to be one of the largest private, multispecialty group practices in the U.S. That practice has grown to more than 1,100 physicians at more than 50 locations in Wisconsin.

MISSION

The mission of Marshfield Clinic is to enrich lives through accessible, affordable, compassionate health care.

COMPANY

Marshfield Clinic is a 501(c)(3) nonprofit organization. In addition to health care clinics across central, northern and western Wisconsin it oversees several organizations that support the Clinic mission:

- Marshfield Clinic Research Institute
- Family Health Center of Marshfield, Inc.
- Diagnostic & Treatment Center
- Heritage Foundation
- Marshfield Labs

STRUCTURE AND LEADERSHIP

Marshfield Clinic Health System is overseen by a Board of Directors with 11 physicians.

Executive Director – Narayana Murali, M.D.
Chief Medical Officer – William Melms, M.D.

FACTS AND FIGURES

- Employs over 1,100 physicians specialists in over 80 specialties and subspecialties.
- The Health System had nearly 3.5 million patient encounters in fiscal 2018, and reported approximately 328,000 unique patients during this same period.
- Marshfield Clinic Resident and Fellowship programs have graduated 766 residents and 46 post-doctoral fellows since 1974. More than 90 of those graduates are caring for patients within the Health System.
- The Health System serves as academic campus for University of Wisconsin School of Medicine and Public Health and was the first host site for the Wisconsin Academy for Rural Medicine (WARM).
- Marshfield Clinic Research Institute conducts more than 800 active research projects and received approximately \$28 million in extramural funds in 2018.
