Salaries and Benefits

Salaries for 2025-2026

When combining the benefit package with the salaries offered, total compensation ranges from $57,399 to $90,000 per fellow.

Year 1 - $57,399 (additional sign-on bonus of $8,000)

Time Away

- **Sick leave:** Absence from the fellowship program that would prevent the completion of the required number of days per academic training year may be cause for extension of the fellowship training as necessitated by graduation requirements. More detailed information is available if you have additional questions.
- **Approved time away:** 15 workdays per year and 5 paid days of medical leave for personal illness.
- **Education/Scientific Meeting Time:** Fellows may be allotted up to seven (7) working days per academic year for approved scientific meetings (includes travel time) which vary in program and training years.
