Salaries and Benefits

Salary for 2022 – 2023

When combining the benefit package with the salaries offered, total compensation ranges from $64,042 to $100,000 per resident.

- PGY1 – $64,042
- PGY2 – $66,149
- PGY3 – $68,257
- PGY4 – $70,364
- PGY5 – $72,471
- PGY6 – $74,580

Time away

- **Sick leave:** Absence from the residency program that would prevent the completion of the required number of days per academic training year may be cause for extension of the residency training as necessitated by graduation and Board eligibility requirements. More detailed information is available if you have additional questions.
- **Approved time away:** 15 workdays per year and 5 paid days of medical leave for personal illness.
- **Education/Scientific Meeting/Meeting Time:** Residents may be allotted up to seven (7) working days per academic year for approved scientific meetings (includes travel time) which vary in program and training years.

Notes _____
