

# MISSION

*Our Mission is to provide  
high quality, accessible  
health care services  
in our community.*

.....

# VISION

*Our Vision is to be  
the communities'  
first choice as a  
health care provider  
and resource to those  
that we serve.*

.....

# CORE VALUES

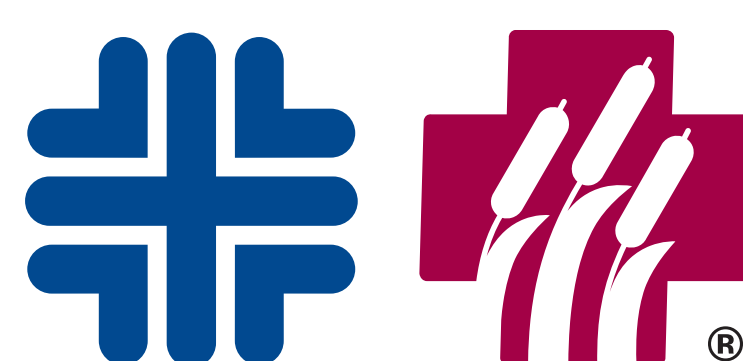

*Patient  
Centered*  
Our patients  
come first.

*High Reliability*  
We seek continuous  
improvement through  
accountability for the  
safety of our patients  
and each other.

*Excellence*  
We provide  
exceptional  
high quality,  
safe care.

*Compassion*  
We treat patients,  
family members  
and colleagues  
with sensitivity  
and with empathy.

*Stewardship*  
We manage  
resources and  
deliver value  
based care.
