

HDHP Plan Schedule of Benefits

Security Administrative Services, LLC certifies that you and any covered dependents have coverage as described in your Summary Plan Document and Schedule of Benefits as of the effective date shown on the letter you received with your identification cards, subject to the terms, conditions, exclusions, limitations and all other provisions of the group plan.

This Schedule shows your specific cost-sharing, as well as any additional benefits, some limitations or exclusions. It also provides a very general summary of your benefits for certain types of services; you will need to read it in conjunction with your Summary Plan Description for details about your coverage. Benefits are calculated according to the benefit year shown above unless otherwise noted.

Security Administrative Services, LLC pays non-network providers based on our Usual, Customary and Reasonable (UCR) fee schedule, subject to applicable deductible, coinsurance and copayment amounts. If a charge exceeds our reasonable and customary fee limit, we may reimburse less than the billed charge and the member is responsible for any amount charged in excess of such fees, as well as applicable deductible, coinsurance and copayment amounts. Any amount not covered by the UCR fee schedule and paid by the member does not count toward the maximum out-of-pocket limit for the plan.
