

### JOB DESCRIPTION

Position Title: Behavioral Health Assistant

Position No: 786

### JOB SUMMARY

The Behavioral Health Assistant serves as an initial contact for patients and customers, and provides professional support to clinicians in the behavioral health area. The Behavioral Health Assistant assesses needs of the patients or customers to determine appropriate disposition of requests within a time and sequence acceptable to the patient and customer's needs and Clinic policy. The Behavioral Health Assistant must interact independently and appropriately with patients and clinicians according to Marshfield Clinic policies and/or department protocol, prioritize the work of several clinicians, multi-task and work under pressure and maintain confidentiality.

## **ESSENTIAL JOB FUNCTIONS**

- 1. Operates computer and phone system to appropriately and accurately schedule, change, cancel, coordinate, and confirm appointments, including scheduling ancillary tests and procedures and instructing patients on preparations for tests and procedures.
- 2. Screens all incoming phone calls to the department and determines the needs of the caller.
- 3. Evaluates when emergency procedures are needed through knowledge of the existing security system and procedures.
- 4. Communicate and relay information accurately, effectively and efficiently between clinicians, coworkers and patients.
- 5. Sends letters with appropriate forms, questionnaires, and instructions to patients to educate or receive feedback about their appointment and or procedures.
- 6. Receives, processes, and files letters and forms from patients and referral sources to ensure efficient patient flow.
- 7. Verifies and updates patients' insurance and demographic information as required per Clinic protocol.
- 8. Requests and processes co-payments from patients to ensure timely payment of required predetermined fees.
- 9. Responds and processes requests for medication refills and/or medication concerns by ensuring that accurate information is documented and relayed to appropriate clinical staff.
- 10. Initiates and monitors treatment authorizations, processes various patient forms, and provides contracted program assistance to ensure the efficient operation of provider practices and enhance reimbursement.
- 11. Maintains health information in an established format to ensure efficient workflow and patient confidentiality.
- 12. Composes and/or transcribes correspondence, documents, meeting minutes and patient documentation to effectively support clinical and administrative roles.

- 13. Monitors and performs various reviews as required by Department of Health and Social Services outpatient mental health mandates.
- 14. Operates a fax machine, photocopier and/or printer effectively to communicate patient information.
- 15. Regular attendance is required in order to carry out the essential functions of the position.
- 16. Reviews and meets ongoing competency requirements of the role to maintain the skills, knowledge and abilities to perform, within scope, role specific functions.

# **ADDITIONAL DUTIES**

1. Other duties as assigned.

# JOB QUALIFICATIONS

## EDUCATION

For positions requiring education beyond a high school diploma or equivalent, educational qualifications must be from an institution whose accreditation is recognized by the Council for Higher Education and Accreditation.

Minimum Required: High School diploma or equivalent.

**Preferred/Optional:** Graduate of a vocational technical Health Unit Coordinator Program, Medical Office Specialist, Medical Secretary program. Completion of a Medical Terminology course.
