

YOUR GIFTS STAY LOCAL.

You are dedicated to enriching lives for patients close to home. Together, employees like you deliver compassionate, high-quality care throughout Marshfield Clinic Health System.

But you might not realize that many of your most important patient care services are only possible because of donations to Marshfield Clinic Health System Foundation.

That's why we're empowering you to support local patient care.

In the past, donations to the Project Shine Grant Fund supported projects and programs that enhanced patient care throughout the Health System. We're simplifying that process so you can give directly to local patient care funds ensuring your gift makes a difference for patients in your community.

Your gift of any size will stay local to provide important patient care needs:

- Distraction and comfort items for patients
 - New equipment and redesigned spaces
 - Patient education, resources and support groups
- ... and so much more.

You already support our patients with the work you do each day. Now you can keep your giving local, create change where you work and help the patients who need it most.

Look inside to learn how!

What do you need to help the patients you serve?

In the past, employees like you throughout our Health System have accessed Project Shine Grant Funds for small things and big things that enhance the patient experience.

Now your gift to local patient care can do all these things and more!

- Special scales for Heart Failure Improvement Clinic patients
- New furniture and TVs in waiting rooms
- Sun lamps for patients battling depression
- Treasure chests with toys for kids on appointment days
- Books for kids
- Teen health community conference
- iPads used to enhance patient education or provide distraction
- Bike helmets and bike safety program
- Mommy survival kits for obstetrics bedrest program
- Life support manikins
- Senior patient fall prevention equipment
- Diabetes prevention education and training

Jeans Days

You can wear jeans every Friday in June by making a gift today! If you have given over \$20 during the 2019 calendar year OR are on a recurring payroll deduction gift of any amount, you will qualify for Jeans Days. Eligible employees will receive a button from MCHS Foundation to show that you are able to participate.

MCHS Employee Giving Campaign

CHOOSE HOW YOU WANT TO GIVE

100% of your gift to local patient care will support care beyond treatment where it's needed most.

As an employee, giving is easy. You can give to the cause of your choice by making:

- Bi-weekly payroll deductions, which continue until you notify MCHS Foundation.
- A one-time gift using payroll deduction, cash, check or credit card.

BECOME A GIVING SOCIETY MEMBER

Consider making a leadership gift this year!

- **Circle of Friends** members give \$1,000 or more in cumulative gifts each calendar year. A gift of \$38.47 per pay period will total \$1,000.22 when given for an entire calendar year. Additional recognition levels are also available.
- **Loyalty Society** members renew their commitment to our mission each calendar year. Inclusion in the Loyalty Society begins when gifts are made for three consecutive years. Consider making an ongoing gift to ensure your membership in the Loyalty Society.
