

# Table of Contents

.....

<b>What is Diabetes?</b> .....	A-1
Description of diabetes .....	A-2
Diagnosing diabetes .....	A-2
Sugar comes from food .....	A-3
Insulin and glucose work together .....	A-4
Three types of diabetes .....	A-6
Treatment for diabetes .....	A-9
Who needs to know .....	A-10
<b>Monitoring Your Diabetes</b> .....	B-1
How to choose a blood glucose meter .....	B-2
How to care for a blood glucose meter .....	B-4
How to take an adequate blood sample .....	B-4
How to keep a blood glucose record .....	B-5
Target blood glucose levels .....	B-6
Glycated hemoglobin (A1C) .....	B-6
Estimated average glucose (eAG) .....	B-9
Ketone monitoring .....	B-9
Continuous Glucose Monitoring Systems (CGMS) .....	B-11
<b>Physical Activity and Exercise</b> .....	C-1
Benefits of exercise .....	C-2
Staying active .....	C-3
Small changes to start now .....	C-4
How to get started .....	C-6
Planning your exercise program .....	C-6
Exercising safely .....	C-8
Rating your effort .....	C-10
<b>The Basics of Eating</b> .....	D-1
Eating for health .....	D-2
Reasons for meal planning .....	D-4
General eating guidelines for treating diabetes .....	D-4
Portion size .....	D-5
Assessing how you eat now .....	D-6
Standard weights and measures .....	D-7

.....

<b>Planning Meals</b> .....	E-1
Nutrients in food and how they affect blood glucose levels .....	E-2
Meal planning approaches .....	E-3
• Carbohydrate counting .....	E-4
• Low carb and carb free snacks for persons with diabetes .....	E-7
• Plate method .....	E-9
• Food groups (exchanges) .....	E-12
• Sample daily meals .....	E-13
<b>Food Purchasing</b> .....	F-1
Reading labels .....	F-2
Shopping guide (focused on low-fat choices) .....	F-8
Money saving tips .....	F-10
<b>Eating for a Healthy Heart</b> .....	G-1
Types of blood fats/lipids .....	G-2
Types of dietary fats .....	G-6
Major sources of cholesterol and fats .....	G-9
Plant sterols and stanols .....	G-10
Limiting fats in your meal plan .....	G-10
Fiber in the diet .....	G-11
Sodium in the diet .....	G-14
Alternative seasonings .....	G-16
<b>Cooking and Eating Out Tips</b> .....	H-1
Low-calorie sweeteners in food preparation .....	H-2
Food preparation methods to lower fat and calories .....	H-3
Eating away from home .....	H-4
Guidelines for alcohol .....	H-7
<b>Weight Management and Diabetes Control</b> .....	I-1
Benefits of weight management .....	I-2
BMI (body mass index) chart .....	I-4
Basics of weight control .....	I-5
Things to consider when losing weight and having diabetes .....	I-7
Weight maintenance .....	I-8
<b>Acute Complications</b> .....	J-1
Low blood glucose (hypoglycemia) .....	J-2
Rule of 15 treatment for low blood glucose (hypoglycemia) .....	J-4
Emergency treatment for severe hypoglycemia – glucagon .....	J-6
Driving safety .....	J-8
High blood glucose (hyperglycemia) .....	J-9
Hyperglycemic, Hyperosmolar Syndrome (HHS) .....	J-10
Diabetic Ketoacidosis (DKA) .....	J-11
Sick day guidelines .....	J-12
Sick day plan .....	J-17
.....	

**Reducing Your Risk of Diabetes Related Complications** .....K-1

Complications and risk reduction ..... K-3

Occurrence of diabetes related complications ..... K-3

Blood vessel diseases ..... K-4

Eye disease ..... K-6

Kidney disease ..... K-8

Nerve disease ..... K-9

Peripheral neuropathy ..... K-10

Foot care recommendations ..... K-11

Autonomic neuropathy ..... K-14

Personal health habits – reducing your risk ..... K-15

Dental care guidelines ..... K-15

Sleep problems and sleep disorders ..... K-16

Infections ..... K-17

Vaccinations needed ..... K-18

Preconception counseling ..... K-20

The what, why, when of good diabetes care ..... K-21

**Changing Behavior** ..... L-1

Successful behavior changes ..... L-2

Stages of behavior change ..... L-3

Steps to changing behavior ..... L-4

Behavior change planning worksheet ..... L-6

**Coping and Learning to Live with Diabetes** ..... M-1

Challenges of diabetes ..... M-2

Stress management ..... M-4

Stress management skills ..... M-7

Dealing with depression ..... M-10

What family and friends can do ..... M-11

**Non-insulin Diabetes Medicines** ..... N-1

Oral diabetes medicine ..... N-2

Types of oral diabetes medicines ..... N-3

Mixture medicines ..... N-8

Non-insulin injectable diabetes medicines ..... N-8

**All About Insulin** ..... O-1

Questions and answers about insulin ..... O-2

How do I travel with insulin ..... O-3

Comparison of insulin, insulin action and delivery ..... O-4

Types of insulin delivery systems ..... O-6

How to use a pen for insulin injection ..... O-8

Insulin pump ..... O-9

Storage of insulin ..... O-9

Syringes, needles and guidelines for reusing and disposal of syringes ..... O-12

.....

Preparing for injection and choosing injection site . . . . . O-16

How to give insulin injections with insulin pen . . . . . O-20

How to give single and mixed dose insulin injections . . . . . O-21

**Disaster and Emergency Readiness . . . . . P-1**

Preparation . . . . . P-2

Getting Started . . . . . P-2

Making an emergency plan . . . . . P-3

Checklist . . . . . P-4

Helpful hints about insulin, pens, and syringes . . . . . P-5

Things to remember in a disaster . . . . . P-5

Hot weather tips . . . . . P-5

Food items to be stored for an emergency . . . . . P-6

Food considerations during a disaster . . . . . P-7

Sick day during disaster . . . . . P-8

**Resources for People with Diabetes . . . . . App-1**

Internet resources . . . . . App-1

Resources for People Diagnosed with Diabetes . . . . . App-2

Financial Resources . . . . . App-8

Magazines . . . . . App-9

Nutrition and Recipe Resources . . . . . App-10

Diabetes Identification . . . . . App-12

Supplies . . . . . App-14

Exercise . . . . . App-15

Vision . . . . . App-15

Sexual and Urologic Problems of Diabetes . . . . . App-19

**Word List**

**Glossary . . . . . Glossary-1**
