Marshfield Medical Center–Minocqua

Marshfield Clinic Health System serves the Minocqua area through a medical center and five primary and specialty care locations. Marshfield Medical Center-Minocqua includes a 19-bed hospital located in northern Wisconsin. The medical center provides 24/7 emergency department coverage along with adult and pediatric primary care, birth center, critical care transport, imaging and lab services, pharmacy, physical and occupational therapy, sleep medicine and surgical services.

The Health System's network of care in the region includes clinic locations in Eagle River, Mercer, Rhinelander and Woodruff.

Structure and Leadership

Marshfield Medical Center-Minocqua is overseen by a 10-person Community Advisory Board.

Ty Erickson
Chief Administrative Officer

Dr. Michael Schaars
VP of Medical Affairs

About Our Health System

Marshfield Clinic Health System has served rural communities for more than 100 years. Today, the Health System has clinical locations and hospitals spanning more than 45,000 square miles of northern, central and western Wisconsin and the Upper Peninsula of Michigan. As an integrated Health System, we bring together all the pieces of the health care puzzle to provide excellent, comprehensive care to rural communities.
