

# G.E. Magnin Medical Library

## Overview of Services

### Hours

Staffed Monday through Friday, 7:30 a.m. to 4:30 p.m. 24-hour access is provided for all residents.

### Mission

The mission of the George E. Magnin Medical Library is to promote the goals of Marshfield Clinic by providing current, accurate, work-related information services to all employees and students of the medical complex in order to support excellence in patient care, education, research and administration.

### Circulation

Most print materials are available for circulation (check out). Books circulate for four weeks and journals circulate for two weeks.

### Book Purchases

Library staff is available to assist with textbook purchases using travel/education funds.

### Interlibrary Loan

We will try to obtain original materials or PDF copies from other libraries for you.

### Literature Searching

Two reference librarians are available to assist with searching online databases.

### Printing/Photocopying

Printing and photocopying in the medical library is free of charge. The photocopy machine is PDF enabled.
